Dear IUF Executive Board,

With this letter we would like to present our bid to celebrate Unicon XVIII in 2016 in the City of Donostia/San Sebastián. Is a coastal city in the Basque Country. It lies on the coast of the Bay of Biscay, 30 km (18.6 miles) from the French border. The main economic activities are commerce and tourism, and it is one of the most famous tourist destinations in Spain (was recently elected as the fifth best tourist destination in the world). Despite the city's small size, events such as the San Sebastian International Film Festival have given it an international dimension.

At each unicycling meeting that we have; between laughter we always mentioned that Donostia/San Sebastian would be a perfect city to host an event such as the Unicon; those laughs became illusion and hence the idea of submitting this nomination. After meeting and working together we now strongly believe that we could organize a wonderful Unicon.

It will be a special year for our city as Donostia/San Sebastian has been chosen as the European Capital of Culture in 2016. Among the many events that are to be performed the City Council has agreed to include the Unicon! Fortunately we will have the support of the City Council that will offer the help and support we need to successfully complete this event.
